

World AIDS Day is observed on December 1st every year to raise awareness about HIV/AIDS, show support for people living with HIV. The day provides an opportunity to unite people worldwide in the fight against HIV, show solidarity with affected individuals and communities, and promote understanding and education about the virus.

State level World AIDS day program was observed with the theme “Let Communities Lead”. The event was observed in Kohima in collaboration with partner NGOs/Community Based Organisations/Networks, and Development partners. His excellency, the US Ambassador to India, Eric Garcetti was the special guest for the programme who also launched the e-ART services in the state. The program was participated by around 160 people from CBOs, NGOs, FBOs, local Panchayats, govt. officials, etc.
